Matters arising; None.

Presentations; None

Correspondence; A letter was received from Scottish Rail regarding access to the railway at Woodburn Cottage & the change of a padlock on the gates. Letter also received from Foundation Scotland regarding the launch of the education & training fund. Also to say that Claire Graham would be attending the March meeting to discuss community benefit funding. Letter from South Ayrshire Council regarding the Queens platinum jubilee celebrations & there is funding available to councils. Also if any councillors would like to join the National Planning Framework.

Link officer; Chris announced that there were 5 nomination in for PPCC & no election was necessary. Also that there was a slight downturn in community councils across South Ayrshire.

Elected members report; Nothing to report mainly due to the local elections upcoming.

Planning matters; none

Road matters; David Hall asked about the possible 20 mph zone through Pinmore. Communication has now been opened.

Open forum; None

Any other competent business; Gillian Green asked where we were regarding Fire alarm payments & the address to return them to, Mike answered with his address & also added Foundation Scotland were unwilling to fund this also the £200 good will payment. A discussion followed & was decided that as Foundation Scotland had said no to the £200 payment & the fire alarm payment it could be met from community council funds. Chris Campbell would make an enquire on behalf of PPCC as to the reasoning to this decision & also Claire Graham would be attending the next meeting, to get a more definitive answer then.

So it was decided to pay all members of the community the £200 that had requested it , also to cap the fire alarm payments at £300.

Date of next meeting 17/03/22

The meeting was closed at 2030hrs
