Police report; none available

Approval of minutes; Mike Chamberlain proposed the minutes seconded by David Hall.

Matters arising; None.

Presentations; Clare Graham & Suzy Mercer were present to represent Foundation Scotland & gave a full introduction to all present as to the role Foundation Scotland played in administering the community benefit funds. The sixteen charitable purposes, what was available & not available, also answered a few questions from the floor about possible individual applications. The good will payment was discussed at great length as was the integrated fire alarm payment.

Correspondence; e mail from S A C regarding help for the Ukraine crisis & if there were any fund raising events. Also there was free Health & safety training for businesses & individuals.

Link officer; Chris reported that SAC had not received a nomination form from one of the existent community councillors. As that councillor was presently a co-opted member they cannot stand this year as a co-opted member, but could from next year (April 2023). However, the existent councillor could become a specialist co-optee with regard to their representation on Carrick Futures etc . There were 3 community councils that required elections & also the Blue Book should be published shortly.

Elected members report; Nothing to report mainly due to the local elections upcoming.

Planning matters; none to report but a question was asked to the progress of Knock Dhu wind farm. This was discussed but more investigation was required. David Hall reported that he had been in contact with various planning officers & designers regarding the proposed play park on Pinmore green. He would keep the council updated.

Road matters; David Hall reported that he had been in contact with S A C in regard to this & plans were being made for “signing & lining” . Also a tree was reported to be down on the road crash barrier in Pinwherry but had been removed now, also the 20 mph flashing sign wasn't working.

Open forum; None

Any other competent business; The question was asked about street bins in Pinwherry & possibly Pinmore, Chris said he'd ask if this was possible. Anne asked if it was possible to have quarterly fund statements for Foundation Scotland & Community Council. Clare Graham replied certainly for Foundation Scotland & mike said yes for Community Council.
