Welcome & Apologies; Apologies from Mike Chaimberlain, Sue Royce

Declaration of interest; None

Approval of minutes; David Hall approved the minutes, Stuart seconded

Matters arising; None

Presentations; None

Police report; 1 report of a road traffic accident, 1 abandoned 999 call & fuel theft at Aerecleoch wind farm.

Elected member report; Alec reported on recent SAC budgeting & how it would affect the community. Also the new Girvan primary school building was underway with construction recently started. Dave Hall asked about the fly tipping at Flushes car park & had taken photos after travellers had camped there for a few days, but was pleased to report that SAC had cleaned up straight away & the site was clear of rubbish. Dave also asked about the recycling centre being closed but still sending out appointment times, Alec said he would look into this.

Planning & licencing; None

Treasurer report; David Hall reported that the balance was at £12,219.37 after expenses of £ 109 & £44 on the patient transport scheme, £5.75 bank charges & £101.90 Public Liability Insurance.

Correspondence; E mail received from SAC regarding all councillors full names etc, David Logan to take care of this. Knockadhar wind farm consultation was in the hands of PPCDT to arrange a date, this would probably be in mid February, we would wait till something was arranged. Quay Zone membership was raised, PPCC would cover 100% of membership but re registration was required every 3 months.

Public & AOCB; None.

Date of next meeting; 19/02/2026
